

Delta Independent Science Board Chair's Report

Summary: Dr. Richard Norgaard, Chair of the Delta Independent Science Board (ISB), will report on outcomes of the January 12-13, 2011 Delta Stressors Workshop held in Sacramento.

Delta Stressors Workshop: A Meeting of the Delta Independent Science Board

Chair Norgaard will brief the Council on progress made by the Delta ISB at its Delta Stressors Workshop including a brief overview of the resultant report issued to the Council during its January meeting. This report, requested by some members of the Senate and Assembly and the Council, will support development of the Delta Plan by identifying approaches for addressing multiple Delta stressors.

Information regarding organization of the workshop can be found in the attached agenda.

The Delta ISB meeting notice and materials are posted online at:
